

Membership Drive

by Elissa Pollack

If all went as planned, you received your Membership Drive packet from your Block Captain with this edition of the Courier.

As always, the Westmorland Neighborhood Association is asking you to contribute, both financially and by volunteering your time, to the programs and events that define Westmorland. The WNA is also continuing to support the Combined Health Fund Drive.

WNA materials and Health Fund contributions should be returned to your Block Captain by October 1. If you're not sure who your Block Captain is, please check the roster at www.westmorland-neighborhood.org, or contact the Block Captain coordinator, Joy Grapentine. Her contact information is on the back of this newsletter. Questions can be addressed to your Block Captain or any Board member. Thank you for supporting Westmorland.

Call for Help to Neighborhood Businesses

by Becky Lien

Did you know that new neighbors in Westmorland receive a packet of useful goodies from their Block Captains when (or, hopefully, not too long after) they move in? The packets contain maps, a Courier, a directory, coupons and other promotions for area businesses, and, of course, a membership form encouraging them to support the WNA by paying dues and volunteering to join a committee, work on a project, or bake treats for a neighborhood event. If you own, work for or have another connection to a neighborhood business, perhaps you're

thinking, hey, that's a good marketing tool! And you're right. There's no charge for locally owned companies or service providers to include a business card, magnet, or other item identifying a firm, store or service. If you could include a coupon or some other form of benefit for the recipient, that would be great. And you need to provide (and replenish) the supplies. About 30 packets are distributed each year. We're also in search of a new supplier for the bags that hold all these goodies. Until

(Continued on page 2)

Westmorland Annual Halloween Party

by Amie Dragoo

Give your little princesses, ghosts and goblins a trial run before Halloween...Come check out the annual Halloween Parade & Party on Sunday, October 30th. Families and neighbors will be gathering, in costume, at the Westmorland Park at 4:00. We will proceed up Holly Ave., lead by our own Westmorland band, up to Queen of Peace Church. The parade will lead to a party with live entertainment and home-made goodies. Headlining this event will be Wayne the

Wizard. He will amaze us with his Halloween Magic Show and Ventriloquist Act. He will also entertain us with a balloon sculpting stage show followed by individual balloon sculpturing for the children. The show will be in the lower-level cafeteria at QP. More details about Wayne the Wizard can be found at www.waynethewizard.com. If you are interested in donating goodies, please send an email to adragoo@edgewood.edu.

President's Message

by Betsy Hauser

Whew! This summer went by fast.

We enjoyed several opportunities to show off our beautiful neighborhood during the summer. The 64th annual July 4th Celebration drew hundreds to Westmorland Park The bike/trike/wagon/scooter parade wound its way from Queen of Peace to the Park led by the Westmorland Walking Band and Number 9's fire truck. The weather held (barely) while neighbors listened to Macon Dew and kids played games and walked for cakes.

The neighborhood-wide garage sale event brought lots of eager bargain hunters on August 6th (see related article on page 11), then on August 7th garden admirers flocked and toured some of our beautiful gardens during the Westmorland Garden Tour.

On July 13th neighbors gathered in the Park with City engineers and listened to

plans to restore and repair the storm water drainage system in the Park's wooded area. (See related article on page 6.) We also ate ice cream!

Westmorland Neighborhood Association is active because neighbors like you work together to make things happen or because you help fund them, or both. Be sure to submit your WNA membership this Fall, and join the rest of us who make this a great neighborhood to live and play in.

Also, the WNA board of directors would like your ideas for neighborhood projects that could be funded by WNA membership dollars. Send your ideas and an explanation of how they would benefit Westmorland, to wnaboard@gmail.com. As always, if you have comments or concerns, give me a call at 236-4211 (before 9:00 pm, please).

Garden Tour 2005

by Pat Sammataro

The Westmorland Garden Tour was held Sunday, August 7th. Between 75 and 80 people attended. We raised \$80.00 for the Westmorland Neighborhood Association. Garden Tour participants said that the Tour attracted just

the right number of people for the homeowners to be able to talk to everyone. Thanks so much to those homeowners who graciously allowed us into their gardens:

- Jim and Sue Bohlman
4 Birch Circle
- Marla and Jeff Rybowskiak
3926 Paunack Ave
- Eugenia and Jim Beecher
501 Toepfer Ave

- Luba Konowalskyj and Gray Williams
621 Gately Terrace
- Mark Lilleleht
3821 St. Clair Ave.
- Donna Paske
4121 Euclid Ave

Bags Needed!

(Continued from page 1)
recently, RZ & Company donated clear plastic bags with their logo and phone number printed on the outside. However, the salon has moved out of Midvale Plaza, so we will not be using their

bags any more, and we've run out of bags! To suggest or provide a replacement for the RZ bags, please contact Becky Lien at jljen1@charter.net or call 231-5969.

Thank you July 4 Planners, Players, and Participants!

by Julie Verban

I would like to publicly thank the members of the Westmorland Walking Band for another wonderful July 4 season. You are a great and dedicated group of people and I thoroughly enjoy playing with all of you! Thanks to Emily Hines, Janet Smith, Mary Campbell, Bill McWilliams, Laura McWilliams, Claire Gervais, John Rolling, Mitch Hagopain, Dave Verban, Tony Young, Austin Young, Kurt Meyer, Jon Pollack, and Jim Omohundro for participating in this year's parade. We look forward to working with our other members Lorrie Hylkema, Emily McWilliams, Rebecca Smith and Melissa Weddle, and hope to welcome new members Katie and Cindy McWilliams, Ryan Dolan, and

Laura Ketterhagen among others for the Halloween Parade. Look for email or snailmail information regarding Halloween rehearsals in early October.

I also want to acknowledge the wonderful work of Betsy Hauser, Katie Spelsberg, Mary Young, Boy Scouts, and everyone else who dedicated much time and energy into maintaining such a wonderful neighborhood event. It is a huge amount of work, and I'm sure I speak for many, many others in thanking you for continuing this tradition. It was great to see so many neighbors not afraid of a few drops of water and supporting this event as well. Westmorland Rocks!

Uncovering Westmorland's Past: The Westmorland Golf Course

by John Evenson

You might have heard the story when you purchased your current house. Maybe one of Westmorland's "oldtimers" told you how a golf course once existed where your home was built. It's true. And here is a little bit of the story, as we know it (so far).

In 1925, a nine-hole golf course was constructed on farmland owned by William Doerfer. Imagine the space bounded roughly by Holly Avenue on the east, Midvale Boulevard on the west, Mineral Point Road on the north, and the Westmorland Park woods to the south. Mostly treeless, this par 35 course had a longest hole of 560 yards and a total yardage of 2945 yards. A round cost a whopping 25 cents. A copy of an original scorecard states, "You can beat today's score. Come again!" The course existed for 20 years until the post-war housing boom began.

"Oldtimers" remember Minnie Cashawn (sp?) as the ever-present manager and starter operating from the "shack" by the first tee. The shack was the original milk house of the Doerfer farm. Sometimes Minnie's mother would be there too, telling stories about Madison's early days, including encounters with the Native Americans living near Lake Wingra. Minnie charged 25 cents a round, and you had to carry your own bag. Believe it or not, the course went broke at least once during the depression era. And, ultimately, Queen of Peace Church was built on the spot where Minnie's shack had stood.

A 1940 aerial photo (see page 5) shows the faint outlines of the round greens. Apparently the first three holes ran from the area near Mineral Point and Holly

due south to what is now the park. From there, it's anybody's guess. If any of the readers have more information, or can refer us to an "oldtimer" we could

interview, please contact John Evenson (phone: 233-4405; email: jevenson@sbcglobal.net). The Westmorland History Committee would love to publish a follow-up to this article!

Come Join the Band

by Julie Verban

The Westmorland Walking Band is always looking for new members. Our music is easy, the members are fun, and there is not a lot of practice or talent needed! We're just the right musical organization for busy parents, young musicians, serious musicians, and anyone who has played in a past life and regretted not picking up their instrument in a while. I am happy to help with parts,

give a quick lesson, take a look at an old horn. I can also write very simple parts for our songs consisting of just a few notes to get you into the musical groove. We will resume a few rehearsals in October to get ready for the Westmorland Halloween Parade. Please give Dave or Julie a call at 233-4675 if you are interested in being notified for rehearsals.

Westmorland Park Storm Channel

by Kurt Welke

On Tuesday, July 13, interested neighbors met with City of Madison Engineering and Parks Department representatives to discuss options for upcoming repairs which will be made to the open ditch lying within the wooded portion of the park.

ronmental, safety, and construction costs and benefits. A balance is sought in whatever option is selected that minimizes damage to valuable trees and the aesthetic they provide, controls further erosion of the ditch, addresses some water quality enhancements where practicable, and is reasonable in its maintenance and operation demands.

The meeting was called in response to the City being asked in 2003 to develop a suite of options for consideration. The current, actively eroding condition of the channel contributes to tree loss and a general degradation of the park wooded space. Additionally, sediment, nutrients, and pollutants are delivered to Lake Wingra via the settling basin adjacent to Mallatt Pharmacy.

After discussion, a straw poll was taken to decide if any option was acceptable. There was consensus that a hybrid plan (called # 3) represented a workable option that satisfies most concerns that were mentioned. This alternative combines stabilizing the current outfall and ditch with an extension of buried pipe for approximately 2/3 the current channel length. This pipe will discharge into an

infiltration basin (rain garden) before being directed into the existing buried storm water system. This option necessitates less disturbance and tree removal as well as provides a safe, useable space where the current eroded ditch had been. A copy of the plan is below.

Plans are available for review at the Sequoia Branch Library. If you want to learn more or engage in discussion of

options, plan to attend the normally-scheduled Parks and Engineering meetings at the Warner Park community center. Times and dates will also be posted at the library.

Construction is slated for 2006, pending permitting, bidding, and budgeting approvals. Questions about the neighborhood-approved plan can be directed to Mike Dailey at Mdailey@cityofmadison.com or Tim Troester at ttroester@cityofmadison.com.

Community Car

by Judy Skog

Do you ever wish that you had a pick-up truck or a van to haul awkward pieces of furniture? Does your household have two cars, but you really only need one?

Community Car enables you to get rid of a car and still have access to flexible transportation. Community Car's goal is to reduce the number of cars on the road, while adding back a small number of highly fuel efficient vehicles.

If you are intrigued about how this works, come to a coffee at my house, 626 Orchard Dr. on Sunday, November 6 from 2-4 pm. Or log onto www.communitycar.com (and then come to the coffee).

Voluntary Simplicity

by Bryant Moroder

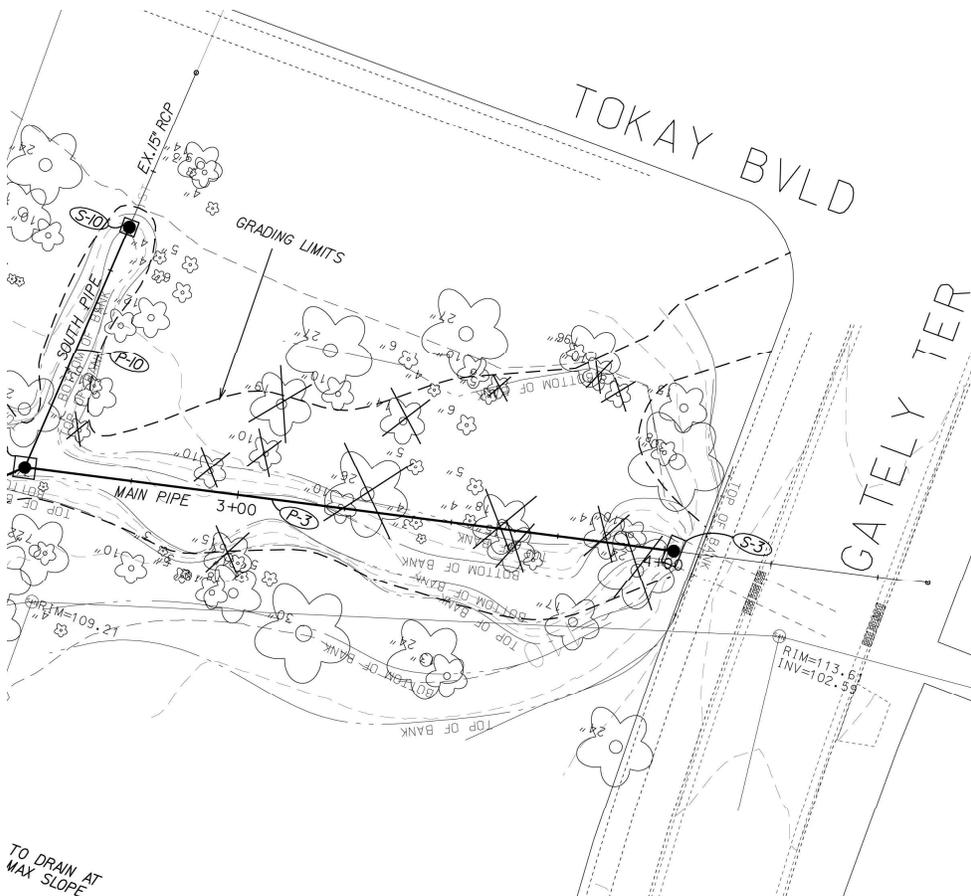

Sustain Dane, a local non-profit organization, will be offering one of its most popular courses, "Voluntary Simplicity", an eight session discussion course, beginning on Tuesday, October 4th at 7:00 p.m. hosted by the Sequoia Branch Public Library. The course will allow participants an opportunity to explore the benefits of simple living. The course is designed to help people better understand material and psychological distractions in their lives and share with one another suggestions for simpler and more rewarding living.

Simplicity

(Continued from page 7)

Voluntary Simplicity is practiced by a growing number of people who are re-evaluating the things that are most important to them. It presents a way of life that helps us slow down, simplify our daily lives, and find the most meaningful ways to spend our time. Voluntary Simplicity can serve as a healing balm on a stressful life.

Registration is free and is limited to 12 participants per course. The required supplemental book costs \$20. To register or for more information, stop by the Sequoia Branch Library Reference Desk or contact Ann Michalski at 267-1981, annm@scls.lib.wi.us.

Car-Free Challenge by Rebecca Grossberg

For two weeks this fall, hundreds of Madison area residents will take on a unique lifestyle challenge: how free can they be of their cars for two weeks? Anyone who is willing to eliminate at least one car trip a week from September 22 to October 5 is welcome to participate.

To sign up, visit www.carfreechallenge.com, call Rebecca Grossberg at 280-0800, or come to the kick-off event (see below). You'll keep a simple log of all your travel for two weeks. In the process, you'll learn a lot about your driving habits and have some fun trying new things.

Please join us at the **Car-Free Challenge Kick-Off, Thursday September 22 from 8:30-9:30 am**. Come enjoy a morning coffee and meet other Car-Free Challenge participants. We will be on the sidewalk in front of L'Etoile and Madison Environmental Group offices, 25 North Pinckney Street on the Capitol Square.

2005 Garage Sales a Success

by Betsy Hauser

Westmorland streets were a-buzz with shoppers bright and early on August 6th for the neighborhood-wide garage sale event. Over 70 neighbors participated this year! For a \$5 registration fee, each participating neighbor benefitted from a

bold ad that ran for 3 days in the Madison newspapers, had the opportunity to have Easter Seals pick up their leftovers, and received a map of the 'hood listing all the participating sales that shoppers could use to find their deals.

Servicing domestic and foreign automobiles for over 35 years.

ASE certified technicians.
